

### **REMARKS/ARGUMENTS**

Based on several telephone conferences between the undersigned in the Examiner, provided herewith is a Supplemental Amendment. This Supplemental Amendment is to replace the amendment associated with the Request for Continued Examination (RCE) filed on October 27, 2009.

Applicants hereby confirm that the pending claims are not intended to cover non-statutory subject matter such as signal information, as indicated by the amendment filed on January 7, 2009, in which subject matter from paragraph 37 of the Specification was removed.

In light of the above amendments and previous remarks filed in connection with the RCE, it is respectfully submitted that all claims are now in condition for allowance.

The application is believed to be in condition for allowance and the Examiner's prompt action in accordance therewith is respectfully requested. The Commissioner is authorized to charge any additional fees or credit any overpayment to Deposit Account No. 20-1504.

Respectfully submitted,

Date: December 15, 2009
